For 50 years, physicians and dentists from Michigan, Ohio, and Indiana have been gathering at Boyne Highlands Resort to share professional knowledge. The comradeship and friendships developed at this conference last for a lifetime. Many participants have attended for over 20 years. They first brought their children and are now bringing their grandchildren. Please join us for this very special 51st Tri-State Dental Medical Conference.

**OBJECTIVE**
The objective of the conference is to provide updated information on a variety of topics of interest to all providers.
