

The Alpine is home of the 'Tournament of Champions', an invitation-only event, that is considered one of the Michigan PGA Majors.

From the opening tee shot at the peak of Boyne Mountain, to the demanding finish that may be one of the best in northern Michigan, the Alpine is a constant blend of beauty and playability.

To score your best, the right combination of aggressiveness and patience is required. It is a thrilling

layout that can handle all of the power in your bag, yet wind conditions and hole locations determine multiple strategies on every hole.

For an unforgettable day, pair your round at the Alpine with another on the Monument for the complete 36 hole Boyne Mountain experience.
