## Body Treatments

Body treatments are essentially a facial for your whole body. It is just as important to cleanse, exfoliate, and hydrate the skin on your body as it is the skin of your face. Give yourself the attention you deserve and leave with a healthy glow.

### Signature Treatment - A Trip to Zen 80 minute

Three steps to total rejuvenation! Start with a full body exfoliation with our mandarin orange scrub, which helps to maintain healthy beautiful skin. Next, a Green Tea & Ginger Sea Enzyme mask is applied to nourish and detoxify. Complete with a lemon grass lotion application that will leave you refreshed and renewed.

### Hot Toddy For The Body 80 minute

Your journey starts with a gentle cinnamon and nutmeg exfoliation to soothe sore and tired muscles. A Chai Soy Mud mask that promotes circulation and reduces inflammation will envelop your skin as you receive a soothing scalp massage. Our Herbal Spice lotion application will soften your skin and leave you relaxed and recharged.

### Rose Petal Indulgence 50 minute

Treat yourself to an invigorating body exfoliation derived from finely ground olive pits. This purifying scrub will leave your skin silky and smooth. A custom blended rose application will gently nurture and improve the texture of your skin.

### Northern Paradise 50 minute

Begin your escape with a Papaya Pineapple body scrub enhanced with fruit enzymes that naturally soften your skin. Your adventure ends with a Kukui Nut Coconut lotion application, rich in antioxidants and vitamins.

### Invigorating Body Exfoliation 25 minute

Indulge in this revitalizing exfoliation on its own or combine it with another massage treatment.
