Points & Exchanging Made Easy.

You are limited only
by your imagination.
Simply choose your destination
from locations worldwide.

Reserve your time.
And we'll make
all the arrangements.

The Point System.

Each Boyne and Interval International resort unit type has been assigned a corresponding weekly and nightly point value. Point values are assigned based on factors such as unit size, location, season, demand and value. These point values indicate the amount of points received when donating and the amount of points needed to reserve a particular unit type.

Boyne Vacation Club maximizes flexibility to its members through Interval International's worldwide resort network, far beyond the boundaries of the Boyne resort collection. There is no end to the exciting travel opportunities.

Expand Your Possibilities.

Members may use their points in three ways based on availability:

- Reserve accommodations within the club at a Boyne USA property for a week or a one-night stay.
- Exchange points for accommodations of seven consecutive nights at any Interval International affiliated resort. Once an Interval destination and vacation weeks are selected, then simply call toll free (800.828.8200) to place an exchange request.
- Deposit unused points with Interval International for future exchange requests of seven-night stays at Interval resorts.
